This Assistance Bulletin only applies to property within unincorporated Snohomish County and does not apply to property within incorporated city limits.

Q: What is the docketing process?

A: The docketing process is a procedure for receiving and evaluating citizen-initiated proposals to amend the county's comprehensive plan and/or development regulations.

Q: What is the purpose of the docketing process?

A: The State Growth Management Act (GMA) requires counties and cities planning under GMA to maintain such a procedure for citizens interested in suggesting changes to their GMA-based comprehensive plans. The GMA limits counties and cities to amend their comprehensive plans to once per year with a few exceptions.

Q: What do I need to do to submit a proposal for an amendment to the comprehensive plan and/or development regulations?

A: Complete an application and submit it to the Planning and Technology Division of the Department of Planning and Development Services (PDS) by the deadline of the last business day in October.

Docket applications are available online or at the PDS Customer Permitting Center at 3000 Rockefeller Ave., 2nd floor of the Robert J. Drewel Building. Check the docket website at www.snoco.org and search "docket application."

Q: What is the deadline for applications for the docket?

A: The department will accept docket proposals at any time. However, proposals received after the last business day of October of each year will not be processed until after the following year's docket deadline.

Q: How do I begin the process?

A: A pre-application meeting is recommended prior to every docket application submittal. To schedule a pre-application meeting, please call the Planning and Technology Division, (425) 388-3311 ext. 2207. The pre-application meeting is an opportunity for you to discuss your proposal and for staff to explain the submittal process and required information.

This bulletin is intended only as an information guide. The information may not be complete and is subject to change.
For complete legal information, refer to Snohomish County Code.
